Account statement contains information on amounts invested in the 2nd pension pillar by the participant in the 2nd pension pillar or State-funded pension scheme, the accrued capital, as well as transactions performed during the specified period. In the account statement of the participant of the 2nd pension pillar until 2013, all sums are indicated in lats, but from 2014 — in euro.

Contributions to the account of a participant of the 2nd pension pillar shall be registered not earlier than in the fourth month following the reporting month. I.e., the contributions invested (reflected) in the "Account Statement of the participant of 2nd pension pillar" in January come from income gained in the September of the previous year; contributions invested in February come from income gained in October of the previous year, etc. Contributions made to the 2nd pension pillar from income gained in January are invested in May.
